Subject: Promotion of Bhartiya Nirdeshak Dravya (BND) (Indian Certified Reference Materials)

Dear Sir,

This is to inform you about the Bhartiya Nirdeshak Dravya (BND)(Indian Certified Reference Materials) produced by accredited Reference Material Producers(RMPs) in collaboration with NPL. So far 67 BNDs have been launched by NPL.

The BNDs are produced using stringent manufacturing procedures by Indian RMPS following ISO accreditation standards under the supervision of NPL and therefore BNDs have international equivalence to CRMs produced by any international NMI like NIST, USA. The BNDs can be ordered through NPL website or through the website of the RMPs. The details of the BNDs are available at the following link;

www.nplindia.in/pdf-files/Available-Bhartiya-Nirdeshak-Dravya-list.pdf NPL

It is to further inform that BNDs are Cheaper than the CRMs produced and supplied by foreign manufacturers and are of international equivalence.

It is therefore advised to use BNDs(CRMs) produced in the country for quality control and testing.

With kind Regards

(Anuj Bhatnagar)
